8th November 2024

Dear Families,

We started this week paying our respects for Armistice Day. With poppies and merchandise on sale we were able to raise some money to support the event. Year 6 led our memorial in the village with poetry and singing. Thank you to those of you who supported this.

This week has been very busy! It has been Anti-bullying week and there has been much discussion about helping others. Our odd socks day on Tuesday raised awareness of Anti-bullying and it has been lovely to see the children supporting each other.

Thank you also for your engagement with the parent meetings. It was good to get some feedback about these and we hope that you all feel informed about your child's learning journey. These meetings are an important part of our partnership with parents, but please remember that you can contact the office if you need to discuss anything with your child's class teacher.

Our week closed with Children in Need. With the colour yellow, Pudsey faces and dots everywhere, it was very clear to see how all of your support, thank you. Thank you to Mrs Topping and the School Council for planning a range of events. The money has been collected and we will share the total raised next week.

Next Week:

Thursday 21st November: Family reading 2:30pm followed by Family assembly at 2:45pm
